

# Organizational Trust: Building a High-Trust Organization

Enable your team to succeed.

As part of the FranklinCovey Speed of Trust webinar series, the *Organizational Trust: Building a High-Trust Organization* work session helps individual contributors and leaders learn how to leverage trust within their work teams and organizations as well as how to align internal systems and process.

**IN THIS WORK SESSION, YOU WILL LEARN HOW TO:**

- ▶ Grow and develop organizational trust in your role at work.
- ▶ Recognize organizational trust dividends.
- ▶ Identify systems and processes that need improvement and use the 13 Behaviors of Trust to create action plans to address these issues.
- ▶ Identify symbols of trust and distrust within your organization and make plans to repair when necessary.

The work session comes with its own downloadable toolkit for use during and after the training.

Participants experience the training right from their desk, eliminating travel costs and reducing your organization's carbon footprint while minimizing lost time away from the office.
